Sèvres, 22 March 2023

Dear Prof. Dr Velychko,

I am pleased to inform you that following the application of Ukrmetrteststandard and the recommendation from the Consultative Committee for Electricity and Magnetism (CCEM), the International Committee for Weights and Measures (CIPM) has decided at its 112th meeting – Session I, to grant to SE "Ukrmetrteststandard" the status of "Official Observer" within the CCEM.

The change already appears on the following page of the BIPM website:

<https://www.bipm.org/en/committees/cc/ccem/members>

We look forward to your participation in the next meeting which is planned to take place in 2025.

Yours sincerely,

Dr Martin J.T. Milton
Director
